DLC MEDIA, INC., INC.

EEO OUTREACH ACTIVITIES

April 1, 2008 – April 1, 2009

During the period, DLC Media, Inc. (“DLC”) created two, full-time sales positions as a result of the credentials of the people who applied for employment. It is believed that these two individuals responded to the on-going recruitment advertising at the unit. The unit engaged in recruiting to fill this position.

Summary Description of Supplemental Outreach Initiatives

The unit has selected the following outreach initiatives:

11. Sponsor at least two events in the community designed to inform the public as to employment opportunities in broadcasting.

This initiative will be completed during 2009-2010.

14. Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

During this period, Brad Deetz, station manager, David Crooks, the owner, Andy Morrison, Operations manager and Beth Davis, Sales Manager began the study of the book, EEO Law and Personnel by Arthur Gutman in an effort to ensure equal employment opportunity and preventing discrimination.

16. Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.

On February 26, 2009, the unit held an open house at its offices/studios. The purpose of the open house was to introduce listeners to the careers available in broadcasting. The entire staff was present to demonstrate their skills and to answer questions. Eight people attended.

DLC, during the past year, has set up a comprehensive outreach and recruitment program designed to widely disseminate information regarding full-time job opportunities at its stations.

Every six months, DLC airs a Public Notice Press Release inviting community groups, minority organizations and interested civic organizations to notify station management if their group would like to be notified regarding each new, full-time job opening. DLC, every six months, also sends the same press release to local groups as part of the licensee's recruitment efforts. The licensee plans to continue its advertising efforts with the hope that more local groups might soon be interested in receiving such information.

DLC advertises job openings on the air over its broadcast stations.
